# HEY KIDDIES

THE WAIKATO CATHEDRAL CHURCH OF  
ST PETER

*Ruth here!*

I hope you guys are having a blast at home staying safe and having fun with your family. I've been learning to cook from my incredible friends and happen to make quite edible dishes without upsetting someone's tummy the next day!! So cheers to that, I've started learning the basics of cooking! I'm pretty sure that you are helping your parents in the household chores and are already experts that I am. Yippee!!!! Besides, I've been introduced to Gardening by a dear friend of mine and guess what I have my first baby plant blooming. Most importantly I have online classes going on now at the University and assignments piling up. Phew! One is due this week! Ahhh!!!

Oh, Here is a photo of Sam, our cat. He might trick you with his deep eyes, but trust me, he's a ball of naughtiness and cuteness overloaded. So that's my small bubble... Ah! By the way I'm also teaching myself on how to use chopsticks. I'm not quite there yet, but maybe the next time we see each other I'm pretty sure I'll be able to pick something at least with them.

Hope you guys are catching up with the interesting and creative videos posted by Cecily. We keep them coming for you guys to try them out and have fun with your family. We are also posting various coloring pages and fun activities in our church websites. We really hope you guys would check them out and do them.

**So here's a Big News... Drum Roll Please !!!!**

Do go check our Church Website for interesting uploads that we have put up for you guys. We have uploaded coloring pages, activities, crafts, DIYs and much more. Here is your chance to make them and design them at your home. Once the lock down is over bring them to the church and every entries gets a reward. The First prize goes for the person who brings in the maximum creative arts.

It is indeed an uncertain time now, but we pray to our God without losing hope. Why don't we pray together?

# Prayer

*Almighty and all loving God,  
we pray to you through Jesus  
Christ the Healer for those  
who suffer from Coronavirus  
across the world. Give wisdom  
and skill to healthcare  
workers, comfort everyone in  
distress and a sense of calm to  
us all in these days of  
uncertainty.*

*This we ask in the name of our  
loving Lord Jesus.  
Amen.*

STAY SAFE

JESUS LOVES YOU!!
